

A letter from the Trustees:

April and May were productive months for Zest for Life. Our Coffee morning raised £171—thanks to everyone who came along for coffee and some delicious home made cake. We've received a few more donations towards the Innis Library project taking the total to £830— a really good start towards re-stocking books for class and home study. The school has received our contribution, the teachers are busy selecting books and the children are very excited! See below for the report from the new Headteacher.

The main purpose of this newsletter is to update you on the fundraising events we have coming up. Organising such events takes a lot of time and effort and we are very grateful for the support of the people who help us out in this way. We would love you to join us at any or all of these events and look forward to seeing you there.

Best wishes from Karen, Keith, Sue and Hazel

A letter from Joab Gwara, the new Headteacher at Innis Education Centre:

Dear Keith, We at Innis send you greetings and best wishes. We sincerely appreciate working with us to support our learners through the porridge program. On behalf of our School and community at large I would wish to thank you for being thoughtful and generous to us. Support directed to our Library is also valuable and will no doubt have positive impact on our pupils academic achievement. The porridge program and the new classroom that you built for our ECDE learners has resulted in more pupils being enrolled in out ECDE programme.

At the moment our project management committee is working in consultation with subject teachers and the school board of management to plan for restocking our School library. On behalf of our School I will give you updates on progress made.

May I now sincerely thank you for being thoughtful of our School and wish you the best of luck. Joab

Note from Zest for Life: There are currently 52 children on the porridge programme (our Breakfast Club). We are aiming to increase the number of children on the programme to 104 to enable Class 1 to benefit from this vital morning meal. If you are already a regular giver please consider increasing your donation from £2 to £3 and ask friends if they would like to become donors too—spread the word!.

Cake, coffee and lots of new friends made on a woodland walk; a great way to spend a Saturday morning!

Many thanks to Sarah, Paul, Anne and Catherine for organising this event for us and raising £450 in the process! Fabulous result!

Curry night

Monday 15th July

6.30pm

£15 per person
